The "Let's Talk Adoption"sm conference is non-commercial, educational, non-profit conference coordinated entirely by volunteers. CPFA has no paid employees. The goal is to keep the registration fee low, and free admission is provided in deserving cases. We provide one annual scholarship to a student intending to work in child welfare. The conference operates on a break-even basis and the only sources of revenue are registration fees, a percentage of book sales, and small donations.

Our 2018 attendees commented that they wanted: examples, practical knowledge, and available resources.

2019 Workshop Presenter Guidelines

- You will need to bring your own computer/adaptor for the LCD.
- We do not pay presenter fees, except for the keynote.
- We can pay an occasional honorarium, or help with travel expenses, in special circumstances to unpaid volunteer organizations. This will be at the discretion of the conference committee.
- Presenters are required to bring copies of their own handouts. CPFA will provide an estimate of the number of workshop attendees two weeks prior to the conference date. Any book sales (authored by presenters) must be handled separately. No sales can take place during the workshop. We will contact you about how to proceed if your proposal is accepted.

Final Decisions

The conference committee has the sole right to reject any presenter, organization or material not considered to meet the educational/non-commercial spirit of the conference.
